

Psychologist

Position: Contract

Direct Support: Clinical Team, Management Team, and Client Support Team

Location

Southeastern States

Summary/Objective

Perform pre- and post-hire evaluations for FMRT's safety-sensitive client agencies. Four to twelve evaluations are scheduled one to two days per week. Professional fees are per evaluation and are provided the first week of every month. Minimal paperwork is required, and there are no on-call obligations. This position offers a chance to promote wellness and awareness to our safety-sensitive workforce and network with other like-minded psychology professionals.

Core Functions

- Pre-employment Psychological Evaluations
- Annual Psychological Evaluations (Includes Special Teams)
- ASSESS (Armed Safety Sensitive Evaluations)
- Critical Incident Appointments
- Fitness for Duty Evaluations
- Peer Support Team Evaluations
- Post-Deployment Appointments
- Promotional Evaluations
- Risk of Violence Assessments
- Special Teams Selection Evaluations

Additional Opportunities

- Coaching
- Counseling
- Wellness Appointments
- Trainings/Presentations

Requirements

A licensed, doctoral-level psychologist preferably with forensic public safety evaluation experience. Professionals with PSYPACT APIT are encouraged to apply.
